

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING
PURCHASE OF ULTRAVIOLET LIGHT DISINFECTION LAMPS FOR
THE WHITE SLOUGH WATER POLLUTION CONTROL FACILITY

WHEREAS, ultraviolet (UV) light disinfection lamps are major components used in the disinfection system at the White Slough Water Pollution Control Facility (WSWPCF). The City no longer uses chlorine compounds to treat wastewater; and

WHEREAS, to remain in compliance with its discharge permit, the City needs to install 725 new UV lamps in four banks of the UV disinfection facility. The lamps being replaced have reached the end of their useful life; and

WHEREAS, the lamps will be supplied by Coombs-Hopkins/DC Frost, the representative for Trojan Technologies, Inc., the sole supplier of replacement parts for the UV system. City staff will install the lamps; and

WHEREAS, failure to install the lamps would subject the City to state fines.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby authorize the purchase of UV light disinfection lamps for the White Slough Water Pollution Control Facility from Coombs-Hopkins/DC Frost, of Walnut Creek, California, in the amount of \$115,000.

Dated: December 17, 2008

I hereby certify that Resolution No. 2008-240 was passed and adopted by the City Council of the City of Lodi in a regular meeting held December 17, 2008, by the following vote:
